PLEASE CHIP IN BEFORE MIDNIGHT TONIGHT

My son, Eric, sent out an incredibly important message earlier this week regarding a gigantic goal we've set for my campaign. Together, we're going to SHOCK Hillary.

And as you can see above, we have JUST HOURS remaining until the Federal Election Commission's fundraising deadline at midnight tonight.

We have not heard from you yet (b)(6);(b)(7)(C), and that's why I'm writing you.

I called Hillary out this week, and – believe me – we are shocking the political establishment with our numbers.

I know you're with me, and I want you to be a part of it.

Lying Crooked Hillary's campaign machine is DESPERATE to convince the American people that our campaign is off track, *claiming we can't raise the funds we'll need to win.*

We cannot let them get away with this – they are so dishonest, so power-hungry and so corrupt.

My son, Eric, sent out an incredibly important message earlier this week regarding a gigantic goal we've set for my campaign. Together, we're going to SHOCK Hillary.

And as you can see above, we have JUST HOURS remaining until the Federal Election Commission's fundraising deadline at midnight tonight.

We have not heard from you yet Friend, and that's why I'm writing you.

I called Hillary out this week, and – believe me – we are shocking the political establishment with our numbers.

I know you're with me, and I want you to be a part of it.

It's unbelievable, Friend!

The FBI confirms - Hillary lied and compromised National Security

I'm sure you saw the news today . . .

Despite finding 110 emails containing highly classified information, in 52 different email chains, the FBI has recommended no charges against Hillary Clinton for her dangerous email practices.

The system is rigged Friend – we must hold Lying Crooked Hillary accountable at the ballot box in November.

STOP HILLARY

FBI Director James Comey described Hillary Clinton as "**extremely careless**"

in her handling of classified information.

He even detailed how her terrible decisions led to huge security risks as she gallivanted across the globe.

And what did Lying Crooked Hillary say less than a year ago?

"I'm confident that this process will prove that I never sent nor received any e-mail that was marked classified."

110 emails were found containing classified material . . . including "top secret" information, AFTER Hillary and her cronies deleted 30,000 emails and failed to turn over hundreds more.

She's careless. She's incompetent. And she thinks she's above the law.
Yet no charges are recommended against Crooked Hillary.

Plain and simple: this reckless behavior should disqualify Hillary Clinton from the Presidency.

Unfortunately, the FBI's announcement today should come as no surprise. **The system is rigged for the powerful elites like Lying Crooked Hillary.**

That WILL change if I am elected to serve as the next President of the United States. But I need friends like you helping us continue building momentum behind Team Trump.

STOP HILLARY

I had been aggressively urging the FBI to hold Lying Crooked Hillary accountable. Now it is clear that is not going to happen – **we must hold her accountable this November at the ballot box.**

This election is the trial, and the American people are the jury.

I will be counting on your help to defeat Clinton and her cronies, to end the

rigged system and Make America Great Again.

Best Wishes,

Donald Trump

- JUNE 7TH, 2016 -

WE WILL MAKE AMERICA GREAT AGAIN!

Dear (b)(6);(b)(7)(C)

First, I would like to thank the people of Montana, South Dakota, New Mexico, New Jersey and California.

I am honored by your support.

djt2.PNG

Together, we accomplished what nobody thought was possible – and we're only getting started.

Tonight, we close one chapter in history and begin another.

Our campaign received more primary votes than any GOP campaign in history. This is not a testament to me, but a testament to all the people like you who believed real change is possible.

We have received wide spread support, winning 37 states from New Hampshire, to Alabama, to California and everywhere in between.

djt3.PNG

You have given me the honor to lead the Republican Party to victory this fall, and I won't let you down. I will make you proud of your party, our movement and most importantly, our country.

To everyone who voted for me throughout this campaign: thank you.

djt5.PNG

My message continues to resonate and I know that my vision for the country is one that will make us stronger and better than ever before. Now more than ever we must be smart, we must be vigilant, and we must be tough. Every day moving forward – we must work to bring about all of the changes necessary to put an end to the destruction caused by the current administration.

I am going to be the best jobs President God ever created! We are going to revitalize our economy, rebuild our infrastructure, repeal and replace ObamaCare, strengthen our military, defeat ISIS, end illegal immigration and put America first!

djt7.PNG

This is a movement - it's about common sense and doing the right thing. I'm going to take care of people. I'm going to make sure this country comes first. As Americans, we have incredible potential and I am the leader this country needs to Make America Great Again.

Thank you again for your support.

Best Wishes,

Donald J. Trump

Subject: The CyberWire 7.26.16: DNC hack may be wider than thought (Russia remains the prime suspect). ISIS claims responsibility online for attack in Ansbach. Ransomware used in business competition?
Date: Tuesday, July 26, 2016 10:42:09 AM

Today's Sponsor is Cylance

Greetings!

THE CYBERWIRE (Tuesday, July 26, 2016) — The scope of the DNC hack widens as personal accounts—Yahoo Mail and associated smart phones—of Democratic Party campaign consultants show signs of compromise. CNN says Federal authorities warned the Democratic National Committee of a potential network breach “months before” the party acknowledged and addressed the problem; the DNC says the warnings it received were non-specific.

CrowdStrike has attributed the hacking to Russian intelligence services, and most observers concur, although security firms like eSentire and Rook do note that forensic analysis can be more circumstantial than dispositive. Notable demurrals include WikiLeaks founder Julian Assange (“no proof”) and Russian Foreign Minister Lavrov (who denies-by-dismissal).

Russia is widely thought to be seeking influence over US elections. Since the hackers were in the DNC’s systems for a year, more leaks are expected. US officials are investigating; no clear response to the hack has emerged.

Krebs looks at both parties’ and candidates’ email practices and finds them all wanting.

ISIS has claimed responsibility for the partially successful suicide bombing in Ansbach, Germany, releasing a pre-attack video of the apparent attacker “pledging allegiance” to the Caliphate.

F-Secure tells Motherboard they’ve been contacted by a ransomware purveyor who claims to be working for a Fortune 500 company, hitting its competitors. “We have no way of confirming the claims of the operator,” says F-Secure.

Acalvio Technologies has emerged from stealth with \$17 million in combined Series A and B funding. Acalvio describes its offering as “fluid deception,” a shifting and less-resource-intensive set of decoys for attackers.

A note to our readers: We’ll be at Black Hat this year, talking to people and keeping our ears open, as usual. You’ll see coverage in our daily briefing and hear it in the podcast.

Today’s edition of the CyberWire reports events affecting Armenia, Germany, Hungary, Iraq, Poland, Russia, Slovakia, Syria, Turkey, Ukraine, and the United States.

On the Podcast

The CyberWire’s regular daily [Podcast](#) will be out later this afternoon, with interviews, educational tips, and more on the stories of the day. Today our editor will talk about what was discussed at Friday’s Billington Global Automotive Cybersecurity Summit. And our guest, KnowBe4’s Stu Sjouerman, will offer his take on the hack of the Democratic National Committee, apparently at the hands of Russian intelligence services. (And of course, if you enjoy the podcast, please consider giving it an [iTunes](#) review.)

This conference will promote a national dialogue between the US Air Force, commercial businesses, academia and civil society to generate "whole of nation" strategies and processes aimed at overcoming challenges and ambiguities of an increasingly digital world.

Donald J Trump

Friend,

This is the first fundraising email I have ever sent on behalf of my campaign.
That's right. The FIRST ONE.

And, I'm going to help make it the most successful introductory fundraising email in modern political history by [personally matching every dollar that comes in WITHIN THE NEXT 48 HOURS, up to \\$2 million!](#)

Friend, this means any donation you make between \$1 and \$2,700 (the maximum allowable contribution) will be matched, dollar-for-dollar.

Help make history by giving one of the amounts below:

\$10 DONATION [\$20 WITH MATCH]

\$20 DONATION [\$40 WITH MATCH]

\$25 DONATION [\$50 WITH MATCH]

\$50 DONATION [\$100 WITH MATCH]

\$100 DONATION [\$200 WITH MATCH]

ANOTHER AMOUNT TO MATCH

Even without this match, this initial effort would have been the most successful first fundraising email in history. I am certain of this. But let me tell you why I decided to match your donations.

The Democrats are desperate, and they're throwing everything they have at me. They just keep failing and losing.

Now they've sent out a very nasty email attacking me, all to raise a measly \$250,000. They even promise that a group of "all-star Democrats" will match every dollar raised.

They will say and do anything to elect Hillary Clinton, but I am standing in the way.

I'm fighting back against Crooked Hillary and her pathetic cronies, as well as the dishonest liberal media, and I need your help.

We can't let her back into the White House ever again.

The bottom line – Crooked Hillary has been a DISASTER for our country, and we must win against her this fall, Friend.

Let's make history again, and keep winning, by making this the most successful first fundraising email ever.

[Double your impact by donating today.](#)

Let's show the liberals, the professional pundits, and the Washington establishment that this campaign IS NOT ABOUT ME. It's a movement of hardworking, patriotic people who want to *MAKE AMERICA GREAT AGAIN*.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. Help me make my first ever fundraising email the most successful fundraising email ever sent in the history of modern politics. **Remember, I will PERSONALLY match your donation, but we must receive it WITHIN THE NEXT 48 HOURS.**

Friend,

Yesterday my father sent his *first ever* fundraising email for the campaign and predicted it would shatter fundraising records.

Once again, my father was right.

Yesterday's email was a massive success. My father offered to match up to \$2 million personally, \$1 for every \$1 donated, and in less than 12 hours we surpassed that goal. All because of supporters like you.

If you missed the email, you can read it in full below.

[Now we need your help to keep up this incredible momentum. Please chip in today to help make my father, Donald J. Trump, the next President of the United States.](#)

We all know what a disaster Crooked Hillary would be for this country if she were elected. And the only way to stop her is to stand together and fight against her fraud and lies.

If you haven't given yet, I'm asking you to **[donate right now](#)** to help out the campaign at this critical time.

Crooked Hillary has corrupt, deep-pocketed donors backing her. That's why your involvement and financial support is so important.

Friend,

Hillary Clinton is a world-class liar.

This much is a fact. But watching the mainstream media, you would never know it.

They simply refuse to call her on her lies. They'd rather spend their time and energy attacking me. It's great for their ratings and their bottom line.

We know we cannot count on the media to spread the very important message that Hillary Clinton is a liar and can't be trusted.

And that's why we've decided to take that message directly to the American people.

We've unveiled a brand new website, [LyingCrookedHillary.com](#), and we're rolling out a series of videos – one on each of her biggest, phoniest fibs

and fabrications.

We released the first video earlier today and *EVERYONE* is talking about it. I wanted to ensure you had a chance to view it. [Watch it here](#):

Donald J Trump

This first video covers her well-documented lying about Benghazi.

But, you just wait. We have 9 additional videos that will cover everything from her illegal email server to her laughable claim of being "dead broke" upon leaving the White House.

I want to make sure you don't miss any of the future videos because – trust me – you don't want to miss them. **They will expose Hillary as a liar in a way the mainstream media never would.**

Friend,

Last night UK voters shocked the world.

I'm sure you saw the news, Friend. Voters in the United Kingdom chose to leave the flawed and failing European Union and reassert control over their borders, politics and economy, taking a brave stand for freedom and independence. It's been dubbed "Brexit" in the media.

These voters stood up for their nation – **they put the United Kingdom first, and they took their country back.**

With your help, we're going to do the exact same thing on Election Day 2016 here in the United States of America.

I am fighting to upend the failed Big Government status quo in Washington, so that Americans can start believing in the future of our country again. And if elected President of the United States, I will strengthen our ties with a free and

independent Britain.

[Will you stand with me at this critical time?](#)

Yesterday UK voters exercised their right to self-determination for all the world to see. And today, our friends across the Atlantic are looking forward to a return to greater freedom and a better future for their children and grandchildren.

Voters here face the same choice on Election Day.

Friend, the political elites didn't see this coming. Wall Street and the media didn't have a clue. And they want to believe just as badly that we cannot win in November.

Let's send another shockwave around the world. Let's take back our country from the corrupt career politicians and put Americans first. Let's re-declare our independence.

[Please stand with me today to reclaim freedom from the corrupt Washington establishment and Make America Great Again.](#)

Thank you.

Donald J Trump

Friend,

This was a HUGE week for Team Trump.

On Tuesday, Mr. Trump sent out the very first fundraising email of this campaign. It was a record-shattering success. If you were able to help, thank you.

And if you just haven't had a chance to yet, [please take a moment to chip in today.](#)

CHIP IN \$5

Our goal was to raise \$2 million in 48 hours, which Mr. Trump committed to match \$1 for \$1. **It took just 12 hours to hit this mark – *stunning* the Clinton campaign and the liberal media!**

Donald J Trump

On Wednesday, Mr. Trump hit it out of the park when he delivered a scathing indictment of world-class liar Hillary Clinton's disastrous record and dangerous agenda.

It has been hailed as the speech conservative Republicans have been waiting decades to hear from their presidential nominee.

Friend, will you stand with Team Trump at this critical stage of the campaign with a \$10, \$25, \$50, or \$100 contribution, or more if you can?

Donald J Trump

On Thursday we launched the "Lying Crooked Hillary" campaign – a new website and series of videos detailing Clinton's Legendary Lies. The first video has already received an amazing 2.5 million views, and nine more videos will be released in the weeks ahead.

Friend, Team Trump is taking the fight to Lying Crooked Hillary like nobody has ever done before.

And on Friday, Mr. Trump released a powerful statement commending UK voters for taking a stand for freedom and independence. They voted to take their country back and determine their future, just like the American people can do on November 8, 2016.

To win on Election Day we must continue building our momentum. Please chip in today to help us make voters believe in America again.

Please stand with us to make Donald J. Trump the next President of the United States.

Thank you,

Paul Manafort

Campaign Chair and Chief Strategist, Trump for President

Friend,

WE HAVE ANOTHER BOLD GOAL FOR THIS THURSDAY
PLEASE READ ABOUT MY FATHER'S PLANS BELOW

Anyone who knows me knows exactly what I think about Donald J. Trump.

He is an amazing man – there is nobody I admire more. I consider him my best friend, and could not be more proud that he is my father.

[Today, I am honored to kick off his most ambitious fundraising campaign yet.](#)

Friend, Hillary Clinton's campaign machine and her liberal media allies are desperate. First, they claimed we raised too little. ***Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying.***

The truth is we did better than \$11 million and no amount of spin from Crooked Hillary's machine can change that fact. We cannot let them get away with this.

That's why we set another Trump-sized goal. We are working to shatter records again this week – **by raising another \$10 million** before the Federal Election Commission's 2nd quarter fundraising deadline this **Thursday at midnight**. Afterwards, our results will be covered heavily by the media.

[Join my father and me, and chip in a \\$10, \\$20, \\$50, \\$100, or \\$250 contribution today. Will you help us SHOCK Hillary Clinton and the political establishment?](#)

DONATE NOW

We are fighting as a family and a very fed-up country to build this historic effort, and bring voters over to Team Trump. The support of friends like you over the last week is making a huge impact.

Every day we're reaching more and more people, Friend – **convincing them that a Trump presidency will mean they can finally believe in American again.**

I know that my father has the vision, determination and tenacity to get great things done for our country – something he's proven throughout his life and career. I've worked side by side with him in business, and I've watched him up close in action my entire life.

Donald J. Trump is the man our nation needs in the White House at this moment. Please help us make history.

No fight is too tough for my father. He had no problem taking on the political establishment to secure the Republican nomination, and now he's going after Lying Crooked Hillary Clinton in a way that no one has ever gone after her before.

Friend,

I just had to forward my brother Eric's email from yesterday to make sure you didn't miss it.

He wrote because [your support is crucial to my father's success](#) in this race.

The Clinton campaign and the dishonest media are desperate to stop our momentum. Now they're lying about our fundraising, and dismissing the strength of our growing "Team Trump" grassroots army.

Eric explains below why we've set a **Trump-sized \$10 million fundraising goal** – which would SHOCK Hillary Clinton and the political establishment – **and we now have less than 72 hours to make it happen.**

We need your help to show Hillary Clinton, her political cronies and her Wall Street and liberal media friends that the Trump movement is **growing stronger every day.**

[Please make your most generous possible contribution today, safely and securely, by following this link.](#)

Thank you in advance for taking a stand to make Donald J. Trump our next President and Commander-in-Chief. And don't miss my brother Eric's email below.

Sincerely,

Donald J. Trump, Jr.

Anyone who knows me knows exactly what I think about Donald J. Trump.

He is an amazing man – there is nobody I admire more. I consider him my best friend, and could not be more proud that he is my father.

Today, I am honored to kick off his most ambitious fundraising campaign yet.

Donald, Hillary Clinton's campaign machine and her liberal media allies are desperate. First, they claimed we raised too little. ***Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying.***

The truth is we did better than \$11 million and no amount of spin from Crooked Hillary's machine can change that fact. We cannot let them get away with this.

That's why we set another Trump-sized goal. We are working to shatter records again this week – **by raising another \$10 million** before the Federal

Election Commission's 2nd quarter fundraising deadline this **Thursday at midnight**. Afterwards, our results will be covered heavily by the media.

[Join my father and me, and chip in a \\$10, \\$20, \\$50, \\$100, or \\$250 contribution today. Will you help us SHOCK Hillary Clinton and the political establishment?](#)

We are fighting as a family and a very fed-up country to build this historic effort, and bring voters over to Team Trump. The support of friends like you over the last week is making a huge impact.

Every day we're reaching more and more people, Donald – **convincing them that a Trump presidency will mean they can finally believe in American again.**

I know that my father has the vision, determination and tenacity to get great things done for our country – something he's proven throughout his life and career. I've worked side by side with him in business, and I've watched him up close in action my entire life.

Donald J. Trump is the man our nation needs in the White House at this moment. Please help us make history.

No fight is too tough for my father. He had no problem taking on the political establishment to secure the Republican nomination, and now he's going after Lying Crooked Hillary Clinton in a way that no one has ever gone after her before.

Donald J. Trump

(b)(6);(b)(7)(C),

Every Election Day, politicians stand trial before the people.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades:

INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

CHIP IN \$5 TO INDICT

CHIP IN \$10 TO INDICT

CHIP IN \$20 TO INDICT

CHIP IN \$50 TO INDICT

CHIP IN MORE TO INDICT

You see, Crooked Hillary is a world-class liar. It's well-documented.

As I highlighted in my speech last week, during the Clinton Presidency, there were many, many scandals. TravelGate, Whitewater. The personal destruction of Monica Lewinsky. The Rose Law Firm scandal. And, of course, *anything* involving Sydney Blumenthal.

It comes as no shock then that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: Scandal, lies, and deceit follow Hillary wherever she goes.

CHIP IN \$5 TO INDICT

CHIP IN \$10 TO INDICT

CHIP IN \$20 TO INDICT

CHIP IN \$50 TO INDICT

CHIP IN MORE TO INDICT

The latest nasty lie from Hillary? That she is crushing me in fundraising.

This claim is laughable. I can write my campaign a check at any time (and have).

Yet, all over the news last week, Democrats and Hillary's surrogates breathlessly tried to deceive Americans into believing that we were getting crushed. I was shocked at the nerve of them because I did the right thing by funding my own campaign and cutting out the special interests.

Only Democrats and the biased media would think this is a bad thing. Why? Because they are members of the rigged system that puts their interests ahead of the interests of the American people.

So, I decided this: [**If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.**](#)

I took matters into my own hands just to prove them wrong. So, I sent out my first ever fundraising email.

We raised over \$2 million . . . IN JUST 12 HOURS. Within a few days, we had raised over \$11 million.

It was so historic and unprecedented that the liberal and unfair Washington Post that hates me was forced to admit that it was the "most successful fundraising effort in American politics."

In short, we made them eat their words. We beat them at their own game.

[**But I will not stop there. I didn't start this fight . . . but I WILL end it.**](#)

And, I will end it on my terms by raising an additional \$10 million before June 30th. Yes, you read that right, Crooked Hillary. I know you and your campaign minions read these emails.

June 30th is the deadline to report funds raised to the Federal Election Commission. It's the same deadline in May that Crooked Hillary tried to make a huge story.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do: [INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES](#).

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. Joseph, **together, we are going to raise \$10 million before the June 30th FEC deadline.**

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: **[INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES](#).**

Friend,

Every Election Day, politicians stand trial before the people.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades:

INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

GIVE \$5 TO STOP HILLARY

GIVE \$10 TO STOP HILLARY

GIVE \$20 TO STOP HILLARY

GIVE \$50 TO STOP HILLARY

DONATE TO STOP HILLARY

You see, Crooked Hillary is a world-class liar. It's well-documented.

During the Clinton Presidency, there were many, many scandals. TravelGate, Whitewater. The personal destruction of Monica Lewinsky. The Rose Law Firm scandal. And, of course, *anything* involving Sydney Blumenthal.

It's no surprise that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: **Scandal, lies, and deceit follow Hillary wherever she goes.**

We CANNOT let her win.

GIVE \$5 TO STOP HILLARY

GIVE \$10 TO STOP HILLARY

GIVE \$20 TO STOP HILLARY

GIVE \$50 TO STOP HILLARY

DONATE TO STOP HILLARY

The latest nasty lie from Hillary? That she is crushing me in fundraising.

So, I decided this: [If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.](#)

I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th.

June 30th is the deadline to report funds raised to the Federal Election Commission.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your immediate donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do:

[INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.](#)

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

It comes as no shock then that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

The latest nasty lie from Hillary? That she is crushing me in fundraising.

This claim is laughable. I can write my campaign a check at any time (and have).

Yet, all over the news last week, Democrats and Hillary's surrogates breathlessly tried to deceive Americans into believing that we were getting crushed. I was shocked at the nerve of them because I did the right thing by funding my own campaign and cutting out the special interests.

Only Democrats and the biased media would think this is a bad thing. Why? Because they are members of the rigged system that puts their interests ahead of the interests of the American people.

So, I decided this: [**If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.**](#)

I took matters into my own hands just to prove them wrong. So, I sent out my first ever fundraising email.

We raised over \$2 million . . . IN JUST 12 HOURS. Within a few days, we had raised over \$11 million.

It was so historic and unprecedented that the liberal and unfair Washington Post that hates me was forced to admit that it was the "most successful fundraising effort in American politics."

In short, we made them eat their words. We beat them at their own game.

But I will not stop there. I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th. Yes, you read that right, Crooked Hillary. I know you and your campaign minions read these emails.

June 30th is the deadline to report funds raised to the Federal Election Commission. It's the same deadline in May that Crooked Hillary tried to make a huge story.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. Friend, **together, we are going to raise \$10 million before the June 30th FEC deadline.**

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do:
